Request for Proposal No. LG-2026-031

Lakeshore Grand Hotel, Buildings A and B: Interior Fit-out Works (fictional)

Employer: Lakeshore Development Authority (fictional)

1. The Works

Interior fit-out of two hotel buildings: Building A (180 keys) and Building B (120 keys). The Works are tendered as Lot A (Building A) and Lot B (Building B). Tenderers shall price each lot separately and also submit a Combined Offer for both lots. The Employer may award either lot separately or both lots together.

2. Submission

2.1 Tenders shall be received through the tender portal no later than 14 September 2026 at 17:00 local time. Tenders received after that time may be rejected at the Employer's discretion.
2.2 Tenders shall remain valid for 120 days from the submission date. A tender valid for a shorter period shall be rejected as not substantially responsive.
2.3 The Letter of Tender shall be signed by an authorized signatory, and a power of attorney shall be provided for each signatory.
2.4 Any deviation from the tender requirements shall be stated in Form G only. Deviations or qualifications stated anywhere else in the tender shall not be considered.
2.5 The Works shall be valued on a lump-sum basis. The structure of the pricing schedules shall not be changed, and provisional sums shall be carried at the amounts stated by the Employer.
2.6 Arithmetic errors. If the stated total of a pricing schedule is lower than the arithmetically corrected sum, the stated total shall stand and the tenderer shall bear the difference. If the stated total is higher than the corrected sum, the tender shall be evaluated and accepted at the corrected sum.
2.7 Tender security. Each tender shall include a tender security of not less than 2% of the Combined Offer, valid for at least 150 days from the submission date.
2.8 Addenda. Addenda No. 1 and No. 2 have been issued. The Letter of Tender shall acknowledge every addendum.
2.9 The Combined Offer shall be stated in words and in figures. If they differ, the amount in words prevails.
2.10 The technical tender (Volume 2) shall contain no prices.
2.11 Eligibility. Each tenderer shall hold a General Building Contractor licence, Class A, and a tax clearance certificate, both valid on the submission date. Average annual turnover over 2023 to 2025 shall be at least 2 times the Combined Offer.
2.12 Domestic preference. For comparison only, the evaluated price of a tenderer not registered in the State of Lakeshore is increased by 5%.

FICTIONAL - synthetic test document generated for the Evalia demo. No real project, company or person.

3. Tender content

Volume	Form	Requirement
Volume 1	Letter of Tender	signed by an authorized signatory; tender valid for 90 days
Volume 1	Tender Security	2% of the Combined Offer, valid for 120 days
Volume 1	Power of Attorney	for each signatory
Volume 1	Form B - Tenderer Information	
Volume 1	Form G - Proposed Changes to Tender Requirements	the only place deviations will be considered
Volume 1	Form O - Litigation and Arbitration	disclose matters over $5,000,000 in the last three years
Volume 1	Form P - Termination of Contracts	disclose terminations in the last five years
Volume 1	Form R - Anti-collusion Certificate	signed
Volume 1	Form S - Conflict of Interest Declaration	
Volume 2	Form C - Key Personnel	
Volume 2	Form E - Programme	
Volume 2	Form F - Proposed Subcontractors	
Volume 2	Form H - Methodology	
Volume 2	Form I - Quality Plan	
Volume 2	Form J - Health, Safety and Environment Plan	including the certified Experience Modification Rate
Volume 2	Form K - Relevant Experience	with the owner's performance evaluation for every project
Volume 2	Form L - BIM Capability	
Volume 3	Pricing Schedule - Lot A	
Volume 3	Pricing Schedule - Lot B	
Volume 3	Combined Offer	
Volume 3	Cash Flow Forecast	monthly, for the combined offer

4. Employer's Requirements (summary)

Ref	Requirement
ER-01	Building A remains open to guests while Building B is fitted out; the works shall be phased so that no guest area of Building A is closed for more than 72 hours.
ER-02	A full-scale mock-up guest room shall be built and approved before any guest room installation starts.
ER-03	Both buildings shall be complete within 40 weeks of the commencement date.
ER-04	Noisy works are restricted to 08:00 to 18:00, Monday to Friday.
ER-05	The Contractor shall maintain a BIM model to LOD 300 and deliver an as-built model at completion.
ER-06	All fire-stopping shall be inspected and certified by an independent third-party inspector.
ER-07	All deliveries shall use the service dock; no deliveries through guest entrances.
ER-08	At least 75% of construction waste by weight shall be diverted from landfill.

4.9 Key personnel. The Tenderer shall name the following key personnel with the minimum years of relevant experience shown: Project Manager, 10 years; Site Manager, 8 years; HSE Manager, 5 years; BIM Coordinator, 3 years.

5. Pricing schedules

Provisional sums: Lot A $250,000.00; Lot B $150,000.00.

Item	Description	Unit	Quantity Lot A	Quantity Lot B
1	Preliminaries and general conditions	LS	1	1
2	Demolition and strip-out	SF	96,000	64,000
3	Partitions, ceilings and finishes	SF	96,000	64,000
4	Guest room fit-out, complete	KEY	180	120
5	Public area joinery and millwork	LS	1	1
6	Mechanical, electrical and plumbing modifications	LS	1	1
7	Provisional sum: art, signage and wayfinding	PS	1	1

6. Contract particulars

Particular	Requirement
Advance payment	10% of the Contract Price, against an advance payment bond
Retention	10% of each interim payment, released half at completion and half at the end of the defects period
Performance bond	10% of the Contract Price
Delay damages	$15,000 per day, capped at 10% of the Contract Price
Defects liability period	24 months from completion
Limit of liability	100% of the Contract Price
Insurance	Contractor's all-risks insurance with a deductible not exceeding $25,000 per claim
Existing conditions	Risk of existing building conditions rests with the Contractor, who has had access to the surveys

7. Evaluation

7.1 Only substantially responsive tenders will be evaluated. A substantially responsive tender conforms to all the terms, conditions and requirements of this Request for Proposal without material deviation or reservation.
7.2 Responsive tenders will be scored out of 100 points: Technical 40 points; Commercial 50 points; Contract 10 points.
7.3 Technical (40 points): quality of submission 5; methodology 10; programme 5; health and safety 5; relevant experience 10; key personnel 5.
7.4 Commercial (50 points): the lowest evaluated price receives 50 points; other tenders receive 50 points multiplied by the lowest evaluated price divided by their own evaluated price. The evaluated price is the Combined Offer, corrected under clause 2.6 and normalised for any change to provisional sums.
7.5 Contract (10 points): 10 points less deductions for deviations from the contract particulars, according to their materiality.
7.6 Relevant experience: 2.5 points for each hotel fit-out project completed between 2019 and 2026 with a contract value of at least $8,000,000, an owner performance rating of Satisfactory or better, and performed as prime contractor; at most four projects are counted.
7.7 Technical threshold. A tender scoring fewer than 24 of the 40 technical points, or fewer than 4 points for methodology, is technically non-compliant and its commercial tender is not evaluated.
7.8 Award. The Employer will notify all tenderers of its decision and will not sign the Contract until a standstill period of 10 days has passed.
